Boston, Jan. 16, 1899.

Department of State,
Passport Division,
Washington, D. C.

I am in receipt of the communication of January 13, 1899, from Frank A. Branagan, Esq., Chief of the Bureau of Accounts, etc., returning my application for a passport for the reason therein stated that I executed the affidavit before I was naturalized.

As appears from the certificate of the Notary Public before whom my affidavit was made the affidavit bears date December 29, 1898. As appears from the certificate of naturalization which accompanied the affidavit I was naturalized on the 28th day of October, 1875. I could not, therefore, have executed the affidavit of December 29, 1898, before I was naturalized.

Apparently the date of my naturalization was left unfilled in the petition in my application for a passport, and the blank was subsequently filled by some person unknown to me, who inadvertently must have inserted the date of the Clerk's certificate of my naturalization (January 9, 1899), instead of the date of my naturalization, which appears from that certificate to have been October 28, 1875. I have now inserted the correct date in the petition, and since that correction was made have again sworn to the petition, as appears by the Notary's certificate attached thereto. I now return the corrected petition and jurat, together with the certificate of the Clerk of the Court of my naturalization October 28, 1875, to which a ten cent revenue stamp is now affixed.

I return the papers as thus corrected and re-sworn, together with the necessary fee, and hope that in their present form the papers will justify the issuing to me of the desired passport.

Yours respectfully,

Alpine M. Lean
